**For Immediate Release**

**TECHNI Waterjet™ Names Hegman Machine Tool, Inc. Distributor for Upper Midwest**

**Lenexa, KS**, January 20, 2010 - **TECHNI Waterjet™** the world's leading innovator in two and three dimensional waterjet cutting machinery for the fabrication, stone, glass and metal industries, has announced that Hegman Machine Tool, Inc. is distributing **TECHNI Waterjets™** in North and South Dakota, Nebraska, Minnesota and Western Iowa. Located in Maple Grove, MN, Hegman Machine Tool, Inc. has been distributing and supporting machine tools in the upper Midwest for over 25 years. In addition to **TECHNI Waterjet™**, the company provides press brakes, lasers, mills, lathes, and plasmas.

Hegman Machine Tool, Inc. also provides service and support from factory trained engineers. Their service technicians are certified by **TECHNI Waterjet™** to ensure the highest level of service available to their customers, including 24 hour phone support and same day service, preventative maintenance programs and extensive on-site parts inventory.
